Dear Pam:

My office has received a flyer describing U-R SPECIAL and I would like to know more because at Gracewood State School and Hospital, we truly have a very special audience!

Gracewood is a state-operated residential facility which offers a full range of services for approximately 650 developmentally disabled citizens of all ages. The facility is in the beginning stages of developing a comprehensive enrichment program to provide recreation and leisure activities to meet the identified needs of our special clients. Your flyer has come at just the right time as we are planning to initiate a Visiting Artist Series.

Please send additional information regarding U-R SPECIAL.

Sincerely,

Patricia Patterson,
Senior Public Relations
and Information Specialist
