Dear Ms. Weeks and Ms. Newsome:

Many thanks for the "Cool Is Me, I'm Drug Free" programs you presented last week. Once again children in southwest Georgia were treated to delightful entertainment filled with educational drug free messages. Pam's music and Buffy's antics were well received.

Thank you again for coming to southwest Georgia schools. We look forward to working with you again in the future. Since you requested addresses in our area, I thought you would like a Department of Education Directory so I've enclosed an order form.

Sincerely,

Sarah Erwin  
Consultant
